Dear Ms. Faruzzi and Ms. Lombard:

Pace, your host agency, is pleased to notify you that your firm has met the requirements for Disadvantaged Business Enterprise (DBE) program certification in accordance with the governing federal regulations, 49 CFR part 26.

This certification allows your firm to participate as a DBE in the Illinois Unified Certification Program (IL UCP). The participating agencies include the Illinois Department of Transportation, the City of Chicago, the Chicago Transit Authority, Metra, and Pace.

To remain certified with the IL UCP you must submit a *No Change Affidavit* annually by **October 1st**. It is your responsibility to ensure that your certification is kept current by submitting the required information in a timely manner. Failure to provide this information is a ground for removal of certification based on failure to cooperate pursuant to 49 CFR 26.109(c).

If there is any change in circumstances that affect your ability to meet size, disadvantaged status, ownership, or control requirements or any material change in the information provided in your application, you must provide written notification to this agency within thirty (30) days of the occurrence of the change.

Your firm's name will appear in the IL UCP DBE Directory in the following area(s) of specialty:

- NAICS Code: 532490 - Other Commercial and Industrial Machinery and Equipment Rental and Leasing
- NAICS Code: 532412- Construction, Mining and Forestry Machinery and Equipment Rental and Leasing
- NAICS Code: 423810 - Construction and Mining (except Oil Well) Machinery and Equipment Merchant Wholesalers (non-stocking)
- NAICS Code: 423830 - Industrial Machinery and Equipment Merchant Wholesalers (non-stocking)

This Directory is used by prime contractors/ consultants, as well as other agencies, to solicit participation of DBE firms. The Directory can be accessed on the Internet at www.pacebus.com.

Your participation on contracts will only be credited toward DBE contract goals when you perform in your firm's approved area(s) of specialty. Credit for participation in an area outside your specialty requires prior approval (verification of resources, expertise, and corresponding support documentation, etc.).

Please note:

- This certification does not attest to your firm's abilities to perform in the approved work category (ies).
- Your certification may be revoked if your firm is found to be involved in bidding or contractual irregularities or has violated DBE program regulations pursuant to 49 CFR Part 26.107.
- For work to count toward a DBE contract goal, the DBE firm must perform a "commercially useful function" pursuant to 49 CFR Part 26.55. A DBE is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing, and supervising the work involved.

Please direct all inquiries and any questions to this agency at 847-228-4257.

Sincerely,

A handwritten signature in black ink, appearing to read 'Donald Mayes', with a large, loopy flourish extending to the left.
