Dear Business Owner:

Re: FBE Recognition Certification Approval  
(WBDC)

Congratulations! After reviewing the information that you supplied, we are pleased to inform you that your firm has been granted certification as a Female Business Enterprise (FBE) under the Business Enterprise Program for Minorities, Females, and Persons with Disabilities.

BEP accepts the Women's Business Development Center's (WBDC) certification regarding your business status. This outside certification is in effect with the State of Illinois as long as it is valid with the WBDC.

At least 60 days prior to the anniversary day of your certification, you will be notified by BEP to update your certification as a condition of continued certification. In addition, should any changes occur in ownership and/or control of the business or other changes affecting the firm's operations, you are required to notify BEP within two weeks. Failure to notify our office of changes will result in decertification of your firm.

Please be advised, while this certification does not guarantee you will receive a State contract, it does assure your firm the opportunity to participate in the State's procurement process. Your firm's participation on State contracts will be credited only toward Female Business Enterprise (FBE) goals in your area(s) of specialty. Your firm's name will appear in the State's Directory as a certified vendor with the Business Enterprise Program (BEP) in the specialty area(s) of:

SERVICES, FORK LIFTS  
SERVICES, PALLET JACKS

Please visit our website at [www.sell2.illinois.gov](http://www.sell2.illinois.gov) to obtain information about current and upcoming procurement opportunities, contracts, forms, and also to register to receive email alerts when the State is preparing to purchase a product or service you may provide.

Thank you for your participation in the Business Enterprise Program (BEP). We welcome your participation and wish you continued success.

Sincerely,
